Create Login Design

Author: @Nataliavera6

Purpose:

This design shows the staff view page for customer orders. The simple design ensures fast navigation and readibility. (see `Wireframes/View Order Wireframe.pdf` for wireframe and `documentation/wireframes/view_order_wireframe/view_order.adoc` for its corresponding documentation).

Final product:

Final designs can be viewed in the `documentation/designs/staff_view_order_design/` folder. Figma designs located in https://www.figma.com/design/KwEF9fKmdG9LXW8qrLvriL/Untitled?node-id=0-1&t=sdiHlsFeGnFNukOd-1

Design description:

- Designs were created for unread, opened and finished orders. -Each of these pages show expanded versions where staff can view the full order and change its status accordingly with the buttons placed at the bottom of the page. -To avoid confucion, unread orders have a white dot at the corner, opened orders have a green dot at the corner and finished orders have no dot. -Once an order is maked as finished, the user will recieve a notification that their order is ready for pick-up.
